OLD MAN WINTER...

Weather changes can bring respiratory flu and cold, and possibly arthritis pain. Cannabis may be helpful with an ailment that may worsen during the winter months. If you prefer to ingest cannabis in its most common smokable form please remember there are other methods should you have a cold. Edibles, tinctures, and capsules have become more popular during respiratory flu and cold season. They are safe, tested, and have dosing information on each package.

South Dakota patients commonly use cannabis for the following conditions: Post Traumatic Stress Disorder (PTSD), nausea, pain, muscle spasms, and many more. Stop by and learn more about how terpenes interact with your cannabinoid system. Ask our Medical Technician about new products, patient feedback, and suggested uses including alternatives to smoking or vaping. Bundle up, eat right, and enjoy your holiday!

HELP FURRY FRIENDS WHO HAVE NO FAMILY

Happy Holidays from Battle Mountain Humane Society!

Battle Mountain Humane Society began in 2012 and is located in Hot Springs. Our objective is to save and rehome as many pets as we can, and we are one of the few No Kill shelters in our area. The need has been tremendous in our service area which includes Rapid City, Hot Springs, and the surrounding area. Our population continues to grow, and so does our need to provide services. We house approximately 90 dogs and 80 cats per year with an average daily census of 160. Our operational cost each month is approximately \$30,000 including our vet bills. Battle Mountain is a non-profit and is dependent on donations, fundraising, and grant money to provide care and services for our animals including housing, food, and veterinary care until we can find their Furr-ever homes. We are asking for donations from partners in our community and expanding our reach and are hopeful that you will be able to participate with a monetary tax-deductible donation to help us as we continue to grow. Checks can be made payable to Battle Mountain Humane Society and mailed to the address listed below.

Battle Mountain hosts a fundraiser at the Beacon in Custer at the end of April or first part of May each year that includes a band, dance, meals, and a silent auction each year and is our largest source of funding outside of private donations from the community. All of us at Battle Mountain appreciate you taking the time to consider our request for donation with so many wonderful nonprofits to choose from. We are hopeful that you will be able to help in some way whether it is a food drive, monetary donation, or both. If there is a specific time of year you prefer to be contacted about available grant programs or making donations please let us know. Thank you for your support. We wish you and yours a happy and healthy holiday season!
